

ORGANIZE VIDEOS

To create and add to a personal folder:

- 1) To add a title or segment(s) to a personal folder, click on the star icon below the thumbnail image of the video on any search or browse results page. Or, use the "Favorite" tab below the video player.
- 2) Add to an existing folder, or create a new one in one simple step.

To access and organize your personal folders:

- 1) Access your personal folders using the "My Favorites" tab.
- 2) In "My Favorites," create, rename, or delete folders.
