Discussion

- Alba suggested that we update the Photons Club Bulletin Board in Room 1-106 so that its easier to notice and cleaner. Action item was created.
- Amanda brought up media release forms and had those in attendance sign them and give them to her.
- Next meeting on April 5 was canceled due to DCTC's Spring Open House. There are no classes that day, so Darrell was worried that members wouldn't be able to attend. Suggested rescheduling. Action item created to get a new meeting date.
- Jeremy suggested that we add the Photons logo from the t-shirt to the new poster we're creating for Room 1-106 (action item #4)
- Theme for March – Black & White
- We need to find a way to track the club's membership. Bring ideas to the April meeting.
