### Discussion

- Jason LaLonde won the April Photo Contest, “Reflections”.
- Discussed contest themes for the summer months: June – “Water”, July – “Night/Fireworks” (members can get some cool shots from the July outing), August – “Sunrise/Sunsets”, September – “Moon”.
- Summer outing options:
  - Dave Johnson from National Camera is willing to host a session from 8-9 p.m. on night photography using strobes.
  - Nicole Werner portrait posing tips
  - MN Landscape Arboretum – Thursday evening may be free for the group
  - Light painting
- Hot Sams Content update. We decided to offer a contest to piggy back the Hot Sams club outing on April 21, 2017. Club members can submit up to 2 8x10” prints taken at Hot Sams in the months of April or May of 2017. Prints will be displayed in Room 1-107. Darrell will arrange to have the photos judged by industry professionals and the winner will get a 5-in-1 reflector. Deadline date to submit prints is May 11, 2017.
- We’re going to try a July cookout. July meeting will take place prior to the outing. Bring your own meat and a dish to pass (chips, picnic foods, beans, potato salad, soda, water, etc.). After the meal, we’ll photograph some fireworks on location. The goal is to find a centralized location where there will be a fireworks display, find a park with grilling facilities nearby, and set the details.
- Club budget was slashed. We need to discuss fundraising opportunities.

## Action Items

1. Create Facebook poll on the closed group to determine what the June outing will be - Amanda
2. Post info to Facebook and by email to notify members about the Hot Sams contest - Amanda
3. Get club statement to Darrell to send to Anna. Student Life will use this at New Student Orientation – Scott
4. Research location options for the July outing. – Club Leaders
5. Set June meeting date. – Kendra

## Next Meeting
